DV 01769-02-0615 - BLACK STALLION. Full brother to the father of BLACK WIDOW (DV 01769-04-1034) - the 1st National Ace Hen of All Germany. BLACK STALLION is a half brother of one of the best racing pigeons ever in all Germany - a pigeon called ET. This pigeon won 7 x 1st and was 1st World Champion Bird in 1998 and the 3rd World Champion Bird in 1997 plus 1st Olympic Champion Bird in 1999. Andreas Drapa told me BLACK STALLION has bred several winners in Germany against thousands of birds, birds that repeated and won 10 to 12 prizes per year. He was one of Andreas's top proven breeders. That is why I decided to add him to my breeding program.

BLACK STALLION is one of those key breeders that will make a mark here and wherever his youngsters are sent to all around the world.

DV 01769-04-1034 - BLACK WIDOW.
* 1st National Ace Hens All Germany 2005 *

The best hen of all Germany at Ganus Family Loft. Black Widow was flown by Andreas Drapa of Germany and crowned the 1st National Ace against 60,000 fanciers. In order to win this award, a pigeon must fly 10 races in a row and if a prize is missed the bird is eliminated from competition. The competition consists of these races: 2 at 100 miles, 2 over 250 miles, 2 at 300 miles and 2 races over 400 miles. This is the toughest national award series in the world!

Black Widow is very beautiful. She is medium in size, strong body, one pin tail, very strong and tight vents. A hen with red eyes that watch your every move. Her family tree is second to none. Father is half brother to Andrea's famous E.T. (Belg 6310776-96) - the 1st World Champion Middle Distance which was sold for \$165,000 USD.

Grandmother to 25 winners!
