Belg 6135096-01 - GOLDEN ASKE. Full brother to the famous ASKE (Belg 6178544-00) - Olympiad Pigeon All Distance in Lieven '03. The Flor Vervoort pigeons have done so well here in America and across the world. Like the famous PHANTOM (Belg 6162086-97) that has bred me some big money race winners. Also back in 2000, another key breeding hen for me was ALEXIS - she bred me the 1st Place Snow Bird Futurity Winner.

When you study Flor Vervoort pedigrees you will see they all come down from the Old Bourges Man which is the Old Hofkens family. GOLDEN ASKE is a beautiful blue wft male that will make many lofts happy on race day. When you hear the name FIENEKE 5000 or Flor Vervoort you can count on some great birds that will win for 200 to 500 miles!

GOLDEN ASKE will make a big impact in the pigeon racing sport here in America.

Belg 6178685-00 - DIAMOND LADY. Bred by Flor VerVoort and bred off MR. FINN - which is a direct son of FIENEKE 5000 when mated again to an inbred FIENEKE 5000 hen! So you see how DIAMOND LADY was named. She couldn't have been bred any better. Keep the family pure and inbred so the ultimate mating can be made. The FIENEKE 5000 family is second to none in breeding ace pigeons, olympic winners and pigeons that win at all distances everywhere in the world.

DIAMOND LADY is a beautiful hen. Strong perfect body with one pin tail, rich red eyes, a super breeding hen. This is one of the nices Flor VerVoort hens that I have ever had my hands on. Gr.mother and mother to several winners. You won't find a better Flor VerVoort breeding hen anywhere. This hen is a super!
