1st Olympic Champion Bird of the Entire World

Long Distance

1st Olympic Champion of All Holland Long Distance

AVIATOR had the most points also to be the 1st Middle Distance Olympic Ace of All Holland but a champion bird can only win one Olympic award per Olympiad. So they chose to put AVIATOR in the long distance class where he became the 1st Olympic Champion of the Entire World. There were over 500,000 fanciers competing. Bird fanciers were watching him come home week after week, under every kind of weather possible.

NL 9782667-97 - Golden Breeder. Winning 1st Place Morlincourt vs 6027 birds and 24th place National Orleans vs 11,601 birds as a youngbird. Wal Zoontjens' best youngbird. She then bred 2 youngsters, one which was Vivian (NL 9880970-98) - she went on to be Wal's top youngbird in 1998. She won everything against thousands of birds and is pictured in Wal's breeding book. Golden Breeder has now produced 11 foundation breeders and 7 different 1st place winners all in her first 3 years breeding. This is super.

Golden Breeder is a strong, medium size, deep dark, violet eyes. A gorgeous looking foundation hen. They don't get any better. She is sometimes called "The Best of the Best". A real super breeder.
